Directions **IMPORTANT: you will need a mobile/cell phone to call for access at the first gate.**

From the N2 highway:

From the N2 take the Hluhluwe/Sodwana Bay turn off. Take the R22 towards Sodwana Bay. Drive through Hluhluwe town and follow signs for Sodwana Bay which will take you over a railway line. From the railway line stay on the R22 for approximately 10 minutes until you see a sign for Ngweni. Turn left at this junction. Zulu Croc is on the corner. This is a dirt road.

Go past the entrance to Zulu Croc and take the next right (there is a sign for Zululand Lodge at the turning). Follow this road, keep left where it splits, and stay on the road until you can't go any further (the road ends at a big silver gate with a sign saying WTF Ukuwela).

The first gate is situated here:

Call us on +27824633253 when you reach the gate and we will open the gate for you.

Once through this gate follow this road until you reach the sign for Albizia camp (do not take the first turn to the right. You are looking for the **second** turn to the right where you see this sign)

then follow this road straight for about 450m (keep left following the signs for Albizia, NOT Idube)

until you reach Albizia Camp entrance gate.

You can open this gate manually (please close afterwards) or alternatively you can call again for someone to come and open the gate for you.

Follow the track to the camp, taking the straight/left fork where the track splits until you reach the camp parking area.
